

What does Girl Powered mean to me? Well, that's a good question! To me this means that girls can do activities that are typically known as "boy things." Girls can do "boy activities" such as robotics just as well as boys. To do robotics I have to be brave.

#### The Beginning Of School:

The day I walked into my new school for a robotics meeting was a very good day. I looked around and saw many boys. I saw around 4 other girls and they were all high schoolers.
