

In this picture I have used the shadows of the previous year's game pieces to represent the legacy of our team, as we will all be graduating this year. It is my hope that when the last day of the season comes, marking the end of our team and the beginnings of a new, we could bring fresh minds to carry-on what we have started. Our team will always remain like a shadow behind those who follow and continue to build on the foundation we have set as the first homeschooled team in Bakersfield.
