

Our Milestones

Eventually, our team members have time to tidy up our VEX Robotics Studio after construction. I find out some souvenirs from REC Foundation, VEX Robotics and teams from all over the worlds. I decide to make all the souvenirs more special and memorable. Making them as a Photography Spots for everyone feel our passion in VEX Robotics Competition. It is because all the souvenirs recoding our milestones in our VEX life. We all do not forget the people that we meet, every match and every journey that VEX bring us to go through. We are looking forward to 2021 VEX Worlds to lead us seeing our friends again.
