

Robotic Inspiration

December 3, 2020

When schools were closed due to Covid-19, I was unable to do the many things I love. One of those things is Robotics. Whenever I think about Robotics, I think of my one true inspiration. That inspiration is my Head Robotics Coach, Kristen Riggs. I am truly honored to have Ms. Riggs for three consecutive years as a teacher in Biology, Chemistry, and Zoology. Ms. Riggs has an amazing way of inspiring others to achieve their goals in the best way that they can. I cannot thank her enough for everything she has done for me. Thank you Ms. Riggs.
