# "We Will Never Forget our Friend"

- We have made this photo because of *the death of our friend* due to the infection of *Coronavirus*. Right now, we are working on the VEX Change UP Challenge, and our friends' memory will remain refreshing in our hearts. Besides, his past participation at the ROBOPOWER team would stay alive on our minds. We created this photo and participated in the "Thinking Outside The Box" Photography Challenge to share our feelings and make the memory alive in our hearts.
