

“We don’t just work at school, we work at home as well! This was a picture of me and my partner working on our script for our STEM Research Project. The VEX IQ Stem Research Challenge has opened up so many gateways for me and my partner Ben Solomon. We had the deadline coming up and decided to work on zoom together. The picture shows me at home, and Ben at home, working together fast to get our script ready and set. The VEX IQ Stem Research Challenge was a whole new experience for me and my partner”!
