## "Mission Succeed"

Among the popular proverbs spread in Egypt is that whoever finds and who sows a harvest. This phrase sums up what ROBOPOWER team did to build the robot. Imagine with us a team that have limited financial support, what could be done! With all these obstacles, ROBOPOWER's robot, with all the meanings of persistence and determination, was able to get the first place of Egypt, qualified to represent Egypt at the World Championship in USA, and obtained the Inspire Award.
