**ROBOPOWER**

The logo features the word 'ROBOPOWER' in a stylized, blocky font. The letters 'R', 'O', 'B', and 'O' are red, while 'P', 'O', 'W', 'E', and 'R' are blue. A blue robot head icon is positioned above the first 'O', and a red robot figure is positioned above the second 'O'. The background consists of a dark blue field with glowing teal and orange light trails and a tunnel-like structure of white dots on the right side.

---

## “Work Virus”

- Despite the Corona Virus, and the world's closure to prevent the spread of the disease, the competition of the last season (tower takeover) was canceled, but ROBOPOWER team took the precautions and did not stop their work. We love working on VEX robots, so we took preventive measures and started working to get a place at the national competition that year, and, fortunately, we won the excellence award.
