

# EO Solid Gears - Promotional Poster

---

In order to promote our team, we, the EO Solid Gears, have created a poster design. In this design, we have included:

- A Lion (Our Mascot)
- A Trophy (Our Desire to Win)
- An Inspirational Message
- Our School Colours

The lion represents not only our school mascot, but also represents the pride we hold as the EO Solid Gears. The trophy represents our overall desire and determination to win. The inspirational message is to inspire those who happen to look upon the poster as well as ourselves to remind us why we display hard work, dedication, and determination. Our school colours represent the school; we are one of the two the STEM teams that have been selected to represent our school, and we take great pride in our achievement.

Team Members:

- Hayden Risher (designer)
- Lennon Sliger (documenter)

Team Number:

- 18576C

Team Location:

- East Ouachita Middle School; Monroe, Louisiana
