North Shore Senior High

Houston, Texas

- Used a free template and removed off-topic properties from it
- Added text and aligned it to the top left
- Added REC logo at the bottom left
- Added a vex robot to the bottom right
- Finalized by aligning all factors and adding hex nuts to the text

This poster is used to give viewers interest in the robotics. It also shows that we can have fun with jokes, and give them a visual of how our robot looks.
