

Reverse Engineering

Made by Imouri Gorman

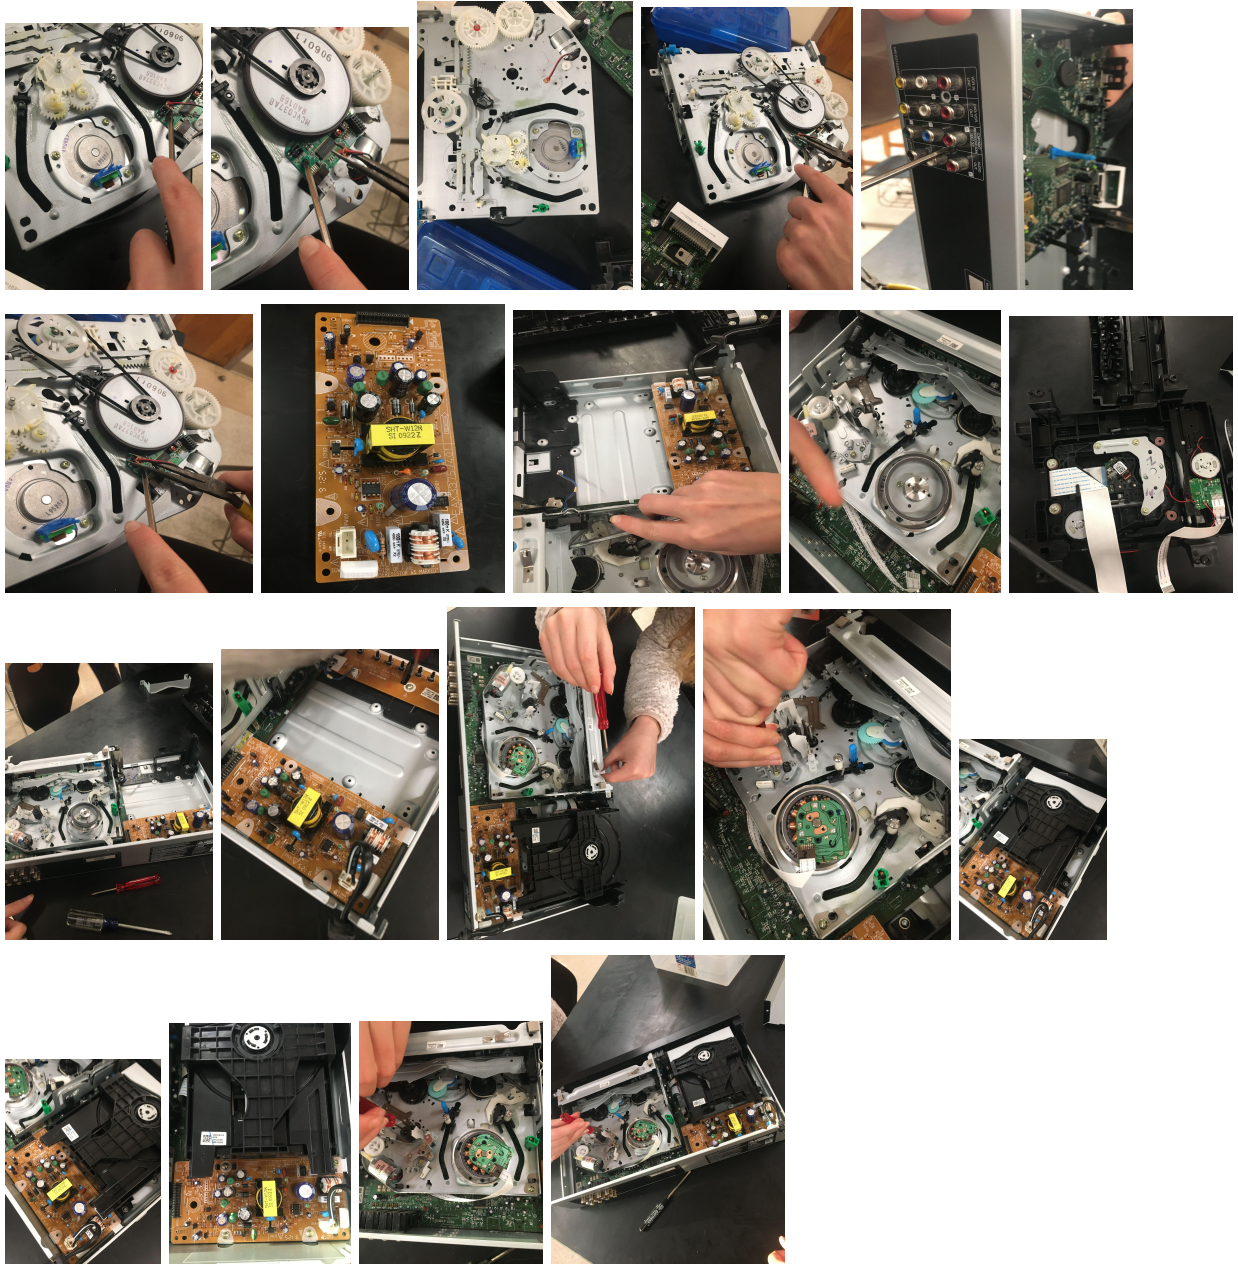

Taken down Kamilie King and Imouri Gorman

Team 48466C

Indianapolis, IN

Guion Creek Middle School JagTech

We took apart a VCR and took these pictures:

These pictures show the parts of the VCR and show how we were taking it down. While taking this VCR down we saw the ways it worked and while taking it down we were using teamwork to see where we are supposed to take it down and what is needed to be done so we can continue to stay safe but also take it down in a fun manner.
