# Jagtech - Wants - You! -

What we have at JagTech:

- Staff/mentors that will guide you through all obstacles
- Lots of space to work and practice.
- Up-to-date pieces and software.
- Different roles you could do to contribute to the team.
- Many pieces so you can build anything.

Different roles you could have:

- Be a programmer.
- Be a builder.
- Be a test driver for the robot.
- Help write the engineers notebook.
- Be an online challenger.
