Title "Our Home Away From Home"

Participants: Jaely, Joselyn, Jazlyn, Natalie, Julian, Kaleb.

Team Number 8787A

Location El Paso Texas

Description: For this poster we Eastwood Robotics wanted to share a true fact about robotics. We truly consider our robotics room our second home because we learn, eat, sleep, do homework and more here. It's our home away from home. The design process came from us reflecting on how we have become a family in our robotics room and how we have grown and hopefully continue to grow in this room.
