

# VEX<sup>®</sup>

## ROBOTICS

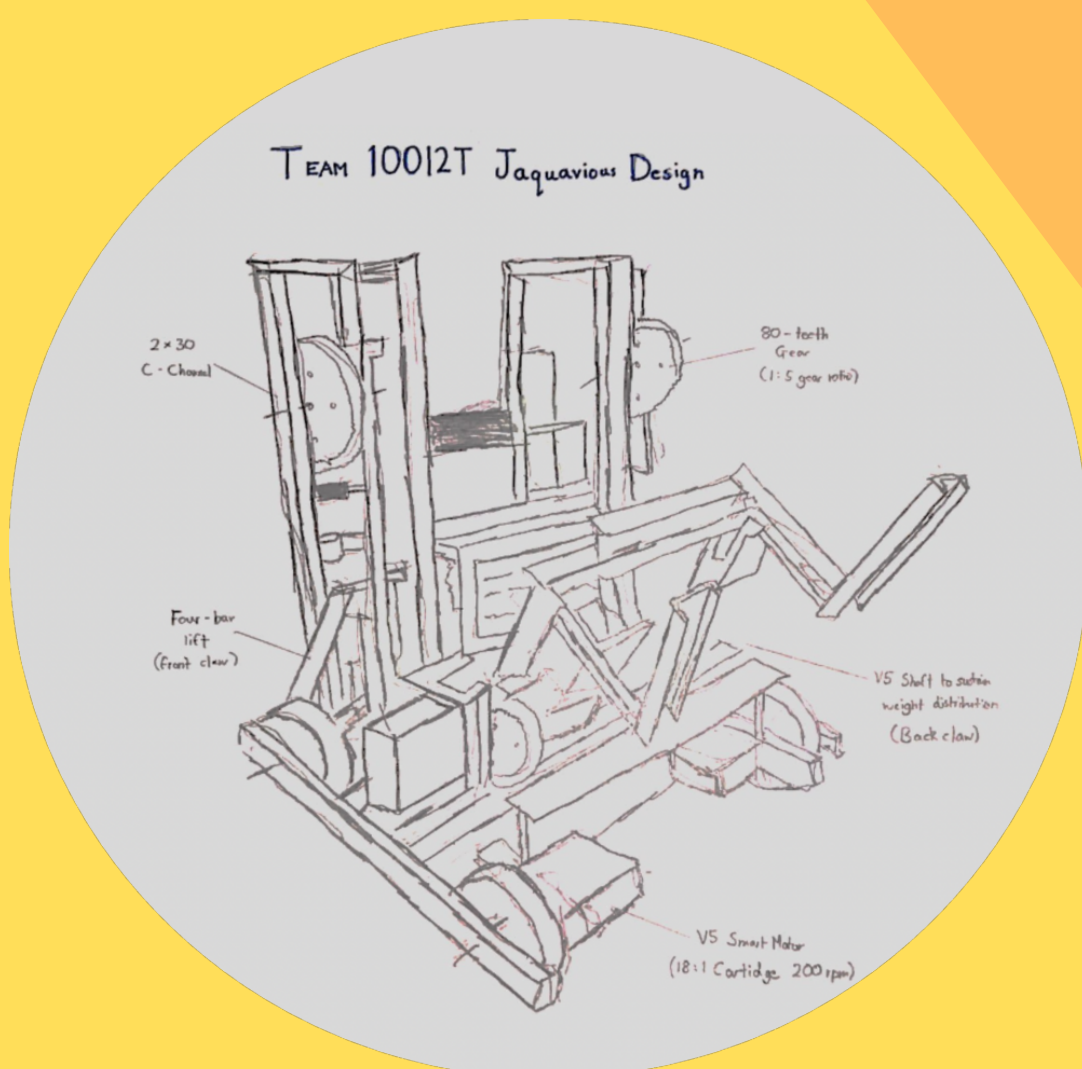

Helping you for your **NEXT**

## DECIDE

VEX helps you improve your decision-making skills. VEX allows you to become more objective and thoughtful, which makes it easier to stick to an idea.

## LEARN

VEX is all about self-teaching, and every mistake you make helps you develop a further understanding of what you're trying to achieve.

## CHANGE

VEX gives you a chance for a change. VEX allows you to develop your mindset like a true engineer, and this allows you to make a change to the future.
