

# Part 4: Expo

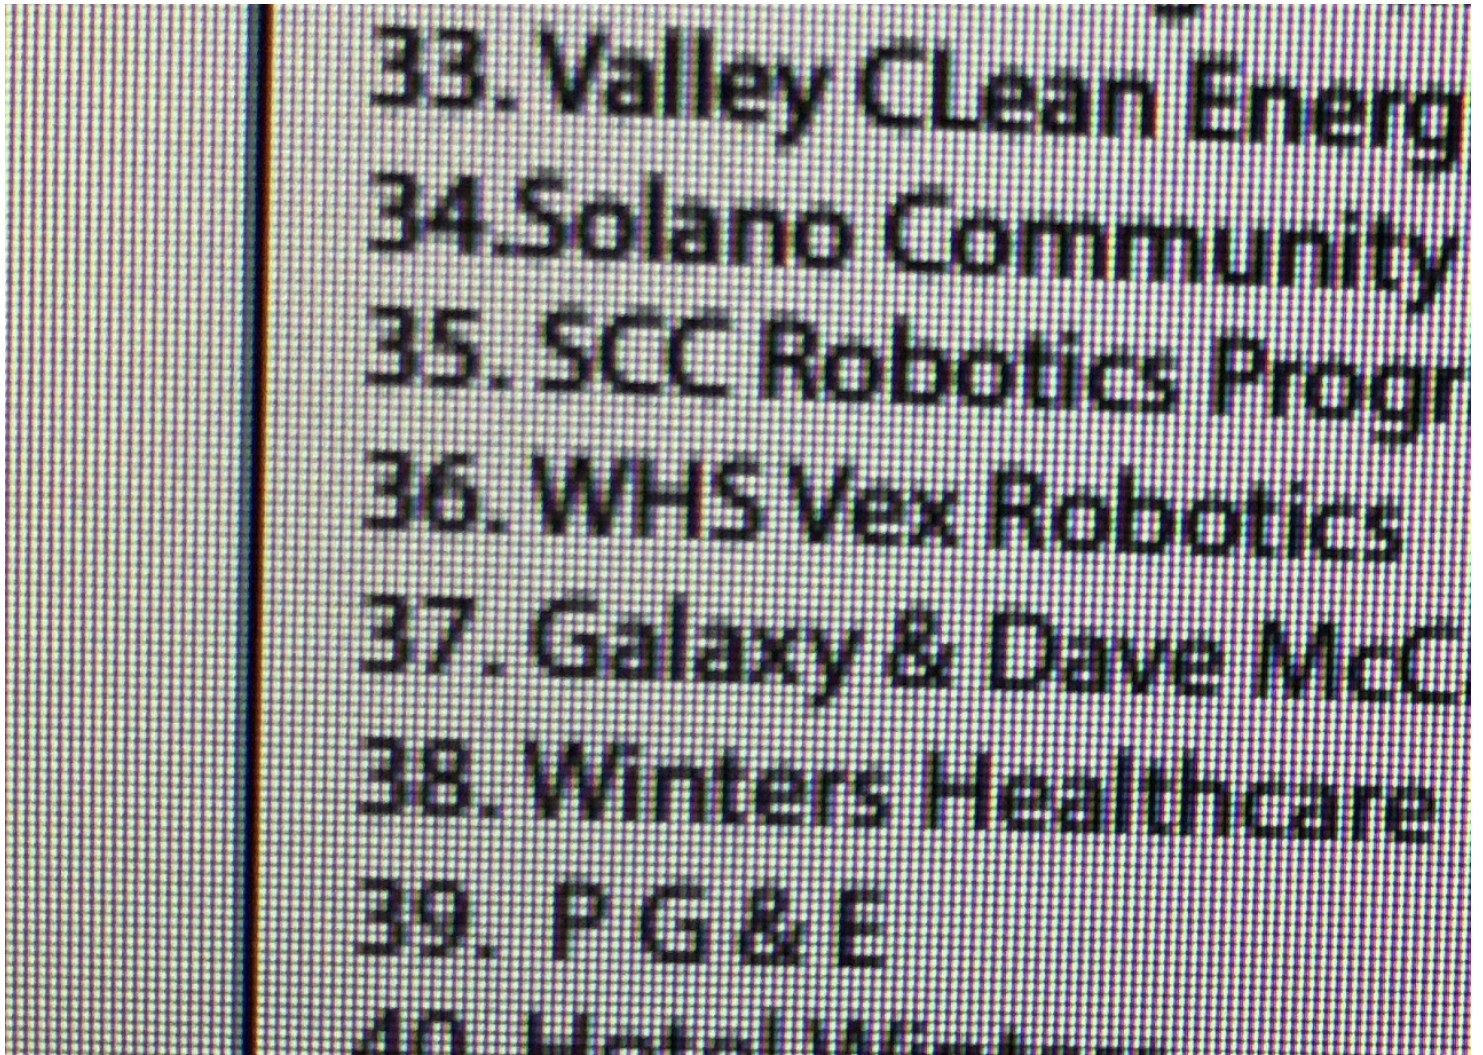

## Community Expo

Sharing our love of Robotics with our Community

Winters Robotics Club loved being part of the EXPO and sharing their love of robotics with all the visitors!

Thanks to Winters Chamber of Commerce for the opportunity.

Doing a presentation to local Families

There were 40 Booths

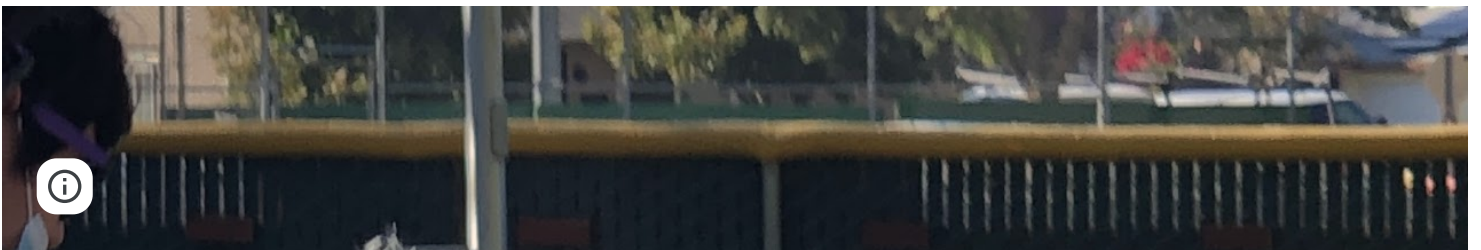

T ⓘ was the Chamber of Commerce Rep, she was so excited . Lots of folks didn't know our new program existed

We used our 3D printer and last years Robot to make a bowling game for the expo

 IMG\_9607.MOV

It was close to Halloween, so we built a candy claw machine. It was a hit
