

think robotics.  
think aon.

## WHO WE ARE.

**AON Robotics** is the most renowned and awarded VEX-U robotics team in Puerto Rico with over fourteen (14) awards at the national and global level as well as performances ranking us amongst the Top 4 Worldwide.

## WHAT WE DO.

Develop competitive robots in compliance with the VEX Robotics platform

Provide a platform for team members to actively engage and develop engineering skills and competencies

Provide STEM oriented outreach initiatives and workshops to the community to promote careers in robotics for future generations

## CONNECT WITH US.
