

*VEX Robotics Middle School Poster Design Online
Challenge*

VEX, CHANGING OUR FUTURE FOR
THE BETTER.

Join vex robotics

By: Terry Fan

Our team decided to take on the challenge of creating a poster for promoting Vex.

Our poster shows the three most important skills that we learnt through Vex. And we want to share it and get more people onboard.

**VEX HAS CHANGED OUR MIND AND
ATTITUDE TO EDUCATION AND I'M
SURE IT WILL CHANGE YOURS TOO!**

Team: 3168X
