Why do Vex Robotics?

We took a quick survey on our class to see what they loved the most. Here are our results

It's fun and enjoyable. Driving the Bot. Seeing the Robot work. Imagination. Trying Something new. Seeing what we are capable of. Building. Its very cool. Scoring points. Everything it's not schoolwork. Building. Driving and Building. Art. Driving. Building the robot, solving problems. Building. Building. Coding. Join your local team, TODAY!
