

The logo for VEX IQ is displayed in a stylized font. The letters 'V', 'E', and 'X' are in a light blue color, while 'IQ' is in a darker blue. The background of the logo is a dark blue with a complex, glowing purple and white geometric pattern of lines and dots, resembling a network or a futuristic architectural structure.

How we made our poster...

1: We had to choose the background

2: We had to come up with the message on the poster

3: We chose out the style that the letters would be

4: We added a list of things that we do in robotics club

5: We gathered pictures of gears that would be there to show people gears and to interest people into joining the club
