

**Join the Adventure of Innovation with VEX Robotics!**

**Build, Program, Compete!**

Step into the world of robotics where every challenge is an opportunity to innovate. Build amazing robots and bring them to life.

**Team Up for Success!**

Join forces with friends and classmates. Together, you'll solve puzzles, overcome obstacles, and share the excitement of each victory.

**Unlock Your Potential!**

Discover hidden talents as you tinker with technology. Learn new skills that will lead you through competitions and beyond, into future careers.

**Your Adventure Awaits!**

Are you ready to explore the world of robotics? Whether you're a builder, programmer, or strategist, there's a place for you here.

**VEX Robotics:**

**Where Innovators are Made!**

Interested in Joining? Contact The REC Foundation to start your adventure in robotics today!
