

# TITLE PAGE

## ABOUT THE POSTER:

*Our team decided to make a poster about promoting VEX Robotics, we made it on Canva, we wanted it to look very Hi-tech, we achieved the look with the blue and purple background. The hand in the background is very eye-catching and it also resembles VEX reaching out for more people to join robotics.*

Unleash your potential, code your dreams—  
VEX Robotics, the heartbeat of STEM

Team: 3168X

Location: Auckland, New Zealand

Members: Royal Lau, Vincent Cheng, Terry Fan, Moses Chow
