

# Reasons To Join VRC

Team 10012R

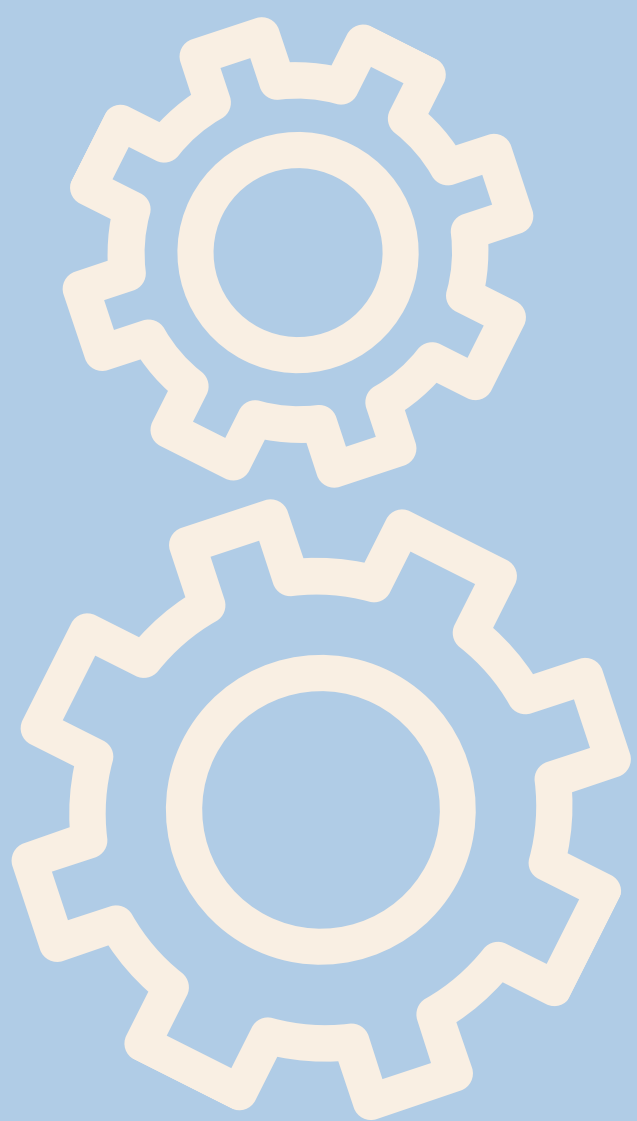

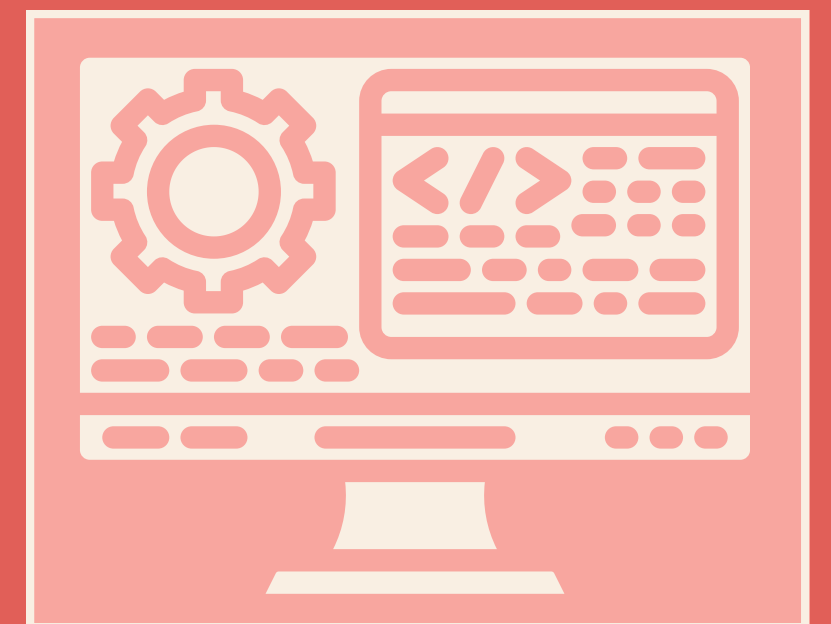

**01**

Join VRC and turn your love for robotics into an exciting adventure! Build and program and race towards excellence.

**02**

Joining the program means getting hands-on experience in designing, building, and programming robots.

**03**

Compete to become the Tournament Champion. Attend the yearly World Championships in Dallas, Texas.

**04**

Robotics offers an opportunity to meet new people, improve your robotics abilities, teamwork, and learn valuable skills.
