

**Join the VEX
Revolution: Where
Competition unites
with Innovation.
Join Vex now to:**

Design

From envisioning futuristic concepts to engineering real world masterpieces, with Vex, you can push boundaries of design. By unleashing your imagination, you can take the spotlight of the riveting realm of robotics.

Build

With a more hands-on experience, we transform raw pieces into mechanical masterpieces. At Vex, we don't just build robots, but we make engineering dreams come true. Prepare to turn wrenches into technological wonders.

Compete

Step into the arena of champions! At Vex competitions, skill joins with strategy and with teamwork, triumph follows. Join us and let the thrill of competitions be at the essence of your robotic journey!
