

Title: A Life Changing Experience

Names of Students:

- Alina
- Allison
- Sydney
- Jake
- Marcus

Team Number: 7700R IQ

Location: Rolling Hills Estates, CA

Description:

We were excited to make this poster and we believe that joining a vex team has been a life changing experience. We wanted to make a fun poster that shows that to other students who might want to join a vex team. We got together after team meeting hours and we all came up with ideas on how to show what we have learned. We decided to add images that show those things and we also use the vex colors.
